GENERATING MUCH NEEDED FUNDS FOR LOCAL SCHOOLS

in support of Thorndown School

RIVERPORT
BUSINESS CLUB

What is this scheme and how does it work?

The businesses in this booklet have all offered to make a donation to Throndown School if you use their services — it's as simple as that!

Each business is listed with its contact details, what they do, and what they have agreed to donate to the school. Have a look at their websites, give them a call or ask them to quote, it's up to you whether you use them and there's no obligation.

We all know how tight school finances are these days and these local businesses, some of whom are parents of children at these schools themselves, want to give something back and support the schools.

The scheme is open to parents, grandparents and family members.

How it works:

Check the company out, get them to quote and tell them that you are using the 'Riverport School Scheme'.

If you like them and want to use them then, at the point you pay your bill (or when specified), ask them for a "Promise of Donation" slip.

The business will fill it in and will then sign or stamp it.

Hand the top part of slip in to the school reception and the business will keep the other two parts.

At the end of the month the business will send a donation to the school from all the slips they have signed.

Tell your friends and family what a great job this business did for you or share it on Facebook/Instagram!

See terms and conditions on the inside back cover.

If you are a local business, and your business category is not already represented in this booklet, and if you would like to be involved with this scheme next year, please contact us on 01480 393393.
